REQUEST FOR REFUND

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir or Madam:

On February 27, 2007, Attorney for the Assignee electronically submitted a first Issue Fee Payment in response to the first Notice of Allowance mailed on November 27, 2006 in the above-referenced case. The first Issue Fee Payment was submitted for a total of \$1700.00, for a \$1400.00 issue fee payment and a \$300.00 publication fee payment.

However, the above-referenced case was withdrawn and subsequently received a second Notice of Allowance mailed on September 14, 2007. The Notice of Allowance indicated a \$1400.00 issue fee was due, but also noted that a \$1400.00 issue fee was previously paid (as described above). Accordingly, Attorney for the Assignee electronically filed a second Issue Fee Payment on December 14, 2007, in which it was requested to "first reapply any previously paid issue fee shown above," and stated that "The Director is hereby authorized to charge the required fee(s), any deficiency, or credit any overpayment, to Deposit Account Number 19-5029. Thus, given the fee increase, only \$40.00 should have been due at that time.

I hereby certify that this correspondence is being electronically filed with the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on January 6, 2009.

Application No.: 09/849,979

Presently, Deposit Account Number 19-5029 indicates that both a \$1700.00 fee and a \$1440.00 fee (recognizing the \$40 fee increase may be due) were charged separately. No fees have been credited to the deposit account.

Please credit the second payment of the issue fee of \$1400.00, which was previously paid on February 27, 2007, to Deposit Account No. 19-5029, referencing Attorney Docket No. 23952-0127.

Any questions may be directed to the undersigned at 404-853-8031.

Respectfully submitted,

Brian J. Decker
